LA It's Happening Here!

He shoots, he scores! The most happening thing in Lewiston/Auburn is the Lewiston Maineiacs. The Maineiacs are part of the Quebec Major Junior Hockey League, an ice hockey league that consists of many hockey players that go on to play professional hockey. The National Hockey League has some of the best hockey players in the world and this says a lot about the Lewiston Maineiacs.

The Maineiacs home rink is the Androscoggin Bank Colisee and is located in downtown Lewiston. The Maineiacs are the most happening thing in Lewiston/ Auburn for many reasons. This hockey team has many fans that come to watch them play and by having the team, Lewiston/Auburn is greatly affected. Hotels, Restaurants, and tourist attractions are benefitted greatly. Not only do Americans travel to the games and use Lewiston/Auburn's services, but Canadian's as well travel and use our services. Personally, I can reflect on the Maineiacs due to the fact that I have hosted several Maineiacs throughout the four years that they have been present in Lewiston. Traveling the short distance I have to travel to get to the Colisee I witness the amount of support this team brings to our community first hand. The Colisee is owned by the city which means that Lewiston makes money every time there is a home game. Lewiston's restaurants, motels, and hotels are greatly affected by this tourist attraction. Now for Auburn, Auburn has recently added many big named restaurants and hotels which most certainly attract many tourists.

The Lewiston Maineiacs are the most happening thing in Lewiston/Auburn for these many reasons. The Maineiacs are definitely a huge profit for both of these towns, especially being the hockey towns they have always been. If it were not for the Lewiston Maineiacs I think the number of tourists that travel to the area would be greatly affected. I also feel that businesses in the area would see a decrease in profit and this is why the Lewiston Maineiacs are the most happening thing in Lewiston/Auburn.
